

OPEIU 29 UNPRECEDENTED VOTE!

September 23, 2019

Over 93% of OPEIU 29 eligible members at Kaiser Permanente casted a “Yes” Vote to strike last week and their voices were heard. If we must, we will strike!

The National Bargaining Team has relayed the message to the Employer that the OPEIU local unions’ members throughout the country support a strike if necessary. Contract negotiations resume on September 23rd & 24th.

Over 80,000 Coalition members are ready to strike if we have to!

Strike shift sign-ups will begin later this week and continue until the strike date of October 14, 2019 for seven (7) days.
